# VELUR MASTER PLAN

## CHAPTER I

### INTRODUCTION AND EXISTING FEATURES

#### INTRODUCTION

1.01. Velur, a Selection Grade Panchayat, is located in the South West part of Namakkal District and is between Namakkal and Karur Municipality Towns, Along the N.H.7. It is located at a distance of 72 kilometers South-West of Salem town and at a distance of 8 kilometers from Pugalur which the nearest Railway station. The N.H.7 from Bangalore to Cape-Comerin passes through this town. The town is well connected by Bus-routes with adjoining urban centers namely Tiruchengode, Namakkal, Karur and Salem. The river Cauvery is on the Southern side of the town limit. Map No. 1 Shows the location of Velur in Salem Region. The Selection Grade panchayat area which is co terminus with the Local Planning Area, is 14.73 Sq.kms. and is comprised of two Revenue Villages Viz., 1) Velure and 2) Punjai Idaiyar Melmugam. The population of the town as per 1991 census was 20324. The town is an important center for the betel leaves export. Betel leaves produced along the banks of Cauvery are brought to this place for sorting, packing and export to places like Delhi, Mumbai, Ahmedabad, Baroda, Nagapur and other towns in North India.

#### PHYSIOGRAPHY AND CLIMATOLOGY

1.02. The town is situated on plain and fertile lands sloping from North to South towards Cauvery River. The temperature here is moderate throughout the year except during summer when it is hot. The prevailing winds are from Southwest and Northeast, the highest and the lowest mean velocities occurring in the months of July and November respectively.

S A L E M R E G I O N

1.03. The town gets rainfall both from the Northeast and Southwest monsoons. Most of the rainfall occurs between August and November.

### SOIL

1.04. In and around Velur, the soil is black due to alluvial deposits with red sub-soil. The soil are generally black clay or black loam, black sand, loamy and red sand or gravel. The red sandy soils are equal to loams in productivity.

1.05. The percentage distribution of the various types of soils in Namakkal Taluk within which the town lies is given in Table 1.01.

Table 1.01

### LOCAL PLANNING AREA

1.06. The Selection Grade Velur town Panchayat, was notified and declared by the Government as Velur Local Planning Area under Section 10(1) of the town and Country Planning Act, 1971 in G.O.Ms.No.401, H&UD., Department, dt. 27.3.80 and the same was confirmed by the Government under Section 10(4) of the Town and Country Planning Act, 1971 in G.O.Ms.No.681, H&UD Department, dt 10.8.81.

The Government has also constituted the Local Planning Authority for the velur Local Planning Area under Section 11(1) of the Act in G.O.Ms.No.354, H&UD Department, dt. 9.4.85.

### POPULATION

1.07. The town had a population of 20324 as per 1991 census. The growth of population during the decade 1961-71 was very high when compared to the growth rate during the decade 1971-81 and 1981-1991 and it may perhaps be due to the commencement of Kandasamy-Kandar's College during the period. The growth population and decennial variation since the year 1961 are given in Table 1.102.

Table 1.02

#### Velur Town: Growth of population since 1961

Census Year	Population	Variation	% to decade Variation
1961	7628	--	--
1971	15057	7429	97.39
1981	18507	3450	22.91
1991	20324	1817	9.81

*Source: Census Publications.*

### POPULATION DENSITY

1.08. The gross population densities of the town in 1981 and 1991 were 13 and 14 persons per hectare respectively.

### SEX RATIO

1.09. The Sex ratio of the population of the Velur Town is given in Table 1.03 and it is found to be normal.

**Table 1.03**  
**Sex Ratio - Velur Town**

Census Year	Males	Females	Females per 1000 males
1961	3847	3781	983
1971	7611	7446	978
1981	9385	9122	972
1991	10317	10007	970

### **RECREATIONAL FACILITIES**

1.30. One branch Library and some reading rooms and recreation clubs are available within the Local Planning Area. There are no organized playfields except those attached to the schools. There are also no organized parks in this town.

### **EDUCATIONAL USE**

1.31. Elementary schools and Higher Secondary Schools account for 9.95 hectares of land, which works out to 4.13% and 0.68% of the developed area and the local Planning Area respectively. The Kandasamy-Kandar's college for Men and Women is situated just adjoining the Local Planning Area boundary on West.

1.32. Table 1.11 shows the details of educational institutions in Velur Local Planning Area.

**Table 1.11**  
**Educational Institutions in Velur Local Planning Area**

Sl. No.	Type	No.	Strength	
			Boys	Girls
1.	Elementary schools	8	1303	1145
2.	Higher Secondary Schools	2	312	296
3.	Matriculation School	3	1991	1457
4.	Typewriting Institute	2	766	52
<b>Total</b>		<b>15</b>	<b>4372</b>	<b>2950</b>
			<b>7322</b>

#### AGRICULTURAL USE

1.33. 1232 hectares of land within the Local Planning Area is under Agricultural use which works out to 83.65% of the total area of which the wetlands are 302.15 hectares on the Southern side of the Town. The dry lands converted as irrigated Dry lands are 688 hectares and Dry lands with an extent of 47.41 hectares on northern side of the Town, which works out to 49.91% of the total area of the remaining 195 hectares, land under water works out to 13.32% of the total area.

#### LAND VALUE

1.34. The land values are high along Velur-karur bye-pass road and Pandamangalam road. The Table 1.12 shows the maximum and minimum land values in Velur Local Planning Area.

**Table 1.12**  
**Land Values in Velur Local Planning Area**

Sl. No.	Places	Maximum value		Minimum value	
		House site Rs. Per Sq.m.	Agricultural Land Rs. Per hectare.	House site Rs. Per Sq.m.	Agricultural land Rs. Per hectare.
1.	Namakal road	450	1250000	400	100000
2.	Karur road	2000	1500000	1700	1200000
3.	Mohanur road	1700	1000000	1500	800000
4.	Pandamangalam road	1500	800000	1200	700000
5.	Bye-pass road	3000	--	2500	--

### DETAILED DEVELOPMENT PLANS

1.36. There are three-detailed Development Plans viz., College Area Detailed Development plan No. 1, 2 and 3. All the above 3 scheme are sanctioned and are in the Northern side of Bye-pass road.

1.37. The extents of the above Detailed Development plans are given below:-

1. College Area Detailed Development Plan No. 1 (Sanctioned)	43.36 Hectares
2. College Area Detailed Development Plan No. 2 (Sanctioned)	29.84 ..
3. College Area Detailed Development Plan No. 3 (Sanctioned)	21.36 ..

#### TRANSPORT AND COMMUNICATION

1.38. The N.H. NO. 7 from Bangalore to Capecomerin passes through this Town. The important Major District roads connecting Velur town are, 1) Velur - Pandamangalam road and 2) Velur - Mohanur road. The nearest Railway Station of this town is Pugalur, which is at a distance of 8 kilometers.

1.39. The total length of roads and streets maintained by the town Panchayat is 33.31 kilometers and the classification of the roads is as follows.

1. Cement Concreted Road	:	8.11 km
2. Bituminous Road	:	12.56 ..
3. Metalled Road	:	4.31 ..
4. Earthen Road	:	8.35 ..
Total	:	33.33 ..

## CHAPTER – II

### PROPOSED DEVELOPMENTS FUNCTIONS AND ECONOMIC BASE

2.01. As exists in the past trend the agriculture & allied activities will be continued to be economic base. Trade and commerce will form next important activity.

### POPULATION & OCCUPATIONAL PATTERN

2.02. The population for the Velur LPA has been projected for the period of 20 years by different methods and is given in Table No. 2.01.

Table No. 2.01

Population projection for the year 2011 and 2021  
for Velur Local Planning Area

SL No.	Method	Projected population		
		2001	2011	2021
1.	Arithmetical increase method	23000	26000	29000
2.	Geometrical increase method	24000	28000	32000
3.	Incremental increase method	26000	31000	38000

Three methods of forecast method namely Arithmetical increase method, geometrical increase method and Incremental increase method works out to 29000, 32000 and 38000 respectively for the plan period of 20 years (2021). The population forecast by the Geometrical increase method gives higher figure and hence, the population for 2011 and 2021 has been adopted for Master plan proposal as 31000 and 38000 respectively.

### OCCUPATIONAL PATTERN

2.03. As per census the existing worker in Velur Local Planning Area is given as 13,816. The percentage of workers to the total workers engaged in different sector during the year 1981 and 1991 is given in table No. 2.02.

Table NO.2.02

Percentage of workers to the total workers engaged in different activities during 1971, 1981 and 1991

Sl. No.	Sector	Percentage to total workers		
		1971	1981	1991
1.	Primary	61.64	57.91	94.09
2.	Secondary	15.68	2.00	1.83
3.	Tertiary	22.68	40.09	4.08

Source: *Census Publications*.

2.04. From the above table it is observed that the employment in agricultural activities is 94.09%. It is observed that the newly formed nearby District head quarters namely Namakkal district attracts and accommodate non-agricultural employment. This trend will change and will be attracted towards non-agricultural activities as and when non-agricultural employment opportunity will be saturated at Namakkal. As per projection of workers for 2021 the percentage of workers engaged in Primary, secondary and tertiary sectors is likely to be 83.51%, 5.29% and 11.20% respectively in 2021. The table No. 2.03 shows the anticipated workers in various sectors in 2021.

Table No.2.03  
Anticipated workers in various sectors in 2021

Sl. No.	Sectors	Workers	% Of workers To total Workers	Remarks
1.	Primary	86840	83.51	Anticipated workers are 1,03,990.
2.	Secondary	5500	5.29	
3.	Tertiary	11650	11.20	
	<b>Total</b>	<b>103990</b>	<b>100.00%</b>	

#### REQUIREMENTS OF LAND FOR VARIOUS USES

2.05. The spatial distribution of land for the various uses is calculated taking into consideration of the future population size and also based on the past trend.

2.06. There are land use variations approved in the previous master plan indicates the location and trend of residential developments. Hence, the area of land use changes occurred is considered for future residential.

2.07. For assessing the spatial requirements of the land for proposed population of 38000 in 2021 of Velur Local Planning Area the criteria adopted is that 65% of the urbanisable area would be for residential use and the remaining 35% for other co commitment uses.

2.08. At present the population density of Velur in developed area is 84 persons/hectare. Assuming a medium population density of 60 persons/hectare. The urbanisable area required in the Velur Local Planning Area for the plan period of 2021 should be 633 hectares.

2.09. For allocating the land for various uses the guidelines issued by the master plan division of the commissionerate of Town and Country Planning are adopted. Based on the guidelines, the urbanisable land required for various categories of proposed land use for Velur Local Planning Area in 2021 is given in Table No.2.04.

Table No.2.04

Proposed land use for Velur Local Planning Area in 2021

SL No.	Land use	% To total Urbanisable Area		Proposed Exent		
		Standard	Proposed	Area required in 2021 in Hectare	Existing area in Hectare	Additional area required in 2021 in Hectare
1.	Residential	40 to 50	65	412	196.96	215
2.	Commercial	3 to 6	13	82	17.75	64
3.	Industrial	10 to 15	10	63	10.27	53
4.	Transportation	25 to 30	-	-	-	-
5.	Public and Semi Public	8 to 11	12	76	16.04	60
6.	Educational					
			100	633	241.00	392

2.10. As the G.O.No.127, Environmental & Forest Dept., dt. 8.5.98 prohibits the development on wet land 5 kms. From Cauvery River the available wetlands not considered for urban development and allowed to continue to be agricultural land. The remaining under developed area i.e. dry lands considered for future development for the plan period of 2021:

2.11. In case of sanctioned Detailed Development plan the land uses have been retained as far as possible. Thus the Table No.2.05 shows the proposed land use for Velur Local Planning Area in 2021.

Table No.2.05.

Proposed land use pattern for Velur LPA in 2021

Sl. No.	Land use	Extent in Hectare	% To total Area
1.	Residential	412	65
2.	Commercial	82	13
3.	Industrial	63	10
4.	Public & Semi Public	76	12
5.	Educational	--	--
6.	Traffic & Transportation	--	--
7.	Agricultural, park open spaces	--	--
8.	Land under water	--	--
		<b>633</b>	<b>100</b>

2.12. The present area under residential use is 196.96 hectare, which includes roads, lanes and layout reservations to accommodate the anticipated population in 2021, the total residential use has been provided for an extent of 412 hectares in the proposed land use plan.

### RESIDENTIAL AREA AND HOUSING

2.13. The number of households and houses in Velur Local Planning Area as per 1991 census are 4879 and 4844 respectively. Assuming one house for each household, the present shortage of houses works out to 35 houses. The average family size is 5. Assuming the size of family as the number of houses required by 2021 is as follows.

1991.

- |   |      |
|---|------|
| a) Existing number of households  | 4879 |
| b) Existing number of dwelling units                                      | 4844 |
| c) Existing shortage (assuming one dwelling unit for one household) (a-b) | 35   |

d) Dwelling units to be reviews (Assuming as 20% of the total building) 969

e) Immediate need (c-d) 1004

2011

- |   |      |
|---|------|
| b) Projected household in 2011 at 5 persons per household | 6200 |
| f) Increase in household from 1991-2011 (f-a)             | 1321 |
| i) Total units required to be built (e+g)                 | 2325 |

2021

- |   |      |
|---|------|
| i) Projected household in 2021 at 5 persons per household | 7605 |
| j) Increase in household 2011 to 2021 (i-f)               | 1405 |
| k) Total units required to be built (h-j)                 | 3730 |

The number of households and houses in Velur Local Planning Area in 1991 is 4879 and 4844 respectively. Assuming a household size of the projected number of household in 2021 is 7605 for a population of 38000. The total additional housing requirements at the end of plan period will be 3730. More dry lands at present are used for Residential use as per the present trend of layout and building activities in the town.

Assuming the existing trend of building activities and development of layout another 400 houses will be added at the end of plan period by private agencies. The remaining requirement has to be met by Government agencies.

COMMERCIAL

2.14. The commercial use, which includes retain and wholesale shops, market business, cinema theatres and godowns etc. occupies at present 17.73 hectare which contribute 7.35% of the total developed area.

2.15. The betel leaves produces along Cauvery river belt area become major center for it's marketing in this Velur Local Planning Area. An extent of 2 hectares are reserved for organized regulated market to develop commercial activity. A total extent of 82 hectares is proposed for commercial land use in the Velur Local Planning Area for 2021.

### INDUSTRIAL

2.16. There are number of rice mills; oil mills, printing presses and engineering workshops are located in the Velur Local Planning Area. The Major industries in the area are middle chilling plant, Mohanur Sugar mills and steel cart manufacturing units etc.

2.17. An extent of 10.27 hectares have occupied by the industrial use at present and about 63 hectares have been reserved for the proposed industrial land use for the year 2021.

### PUBLIC AND SEMI-PUBLIC & EDUCATION

2.18. An extent of 16.04 hectare is occupied public and semi public and educational uses occupied at offices. Expecting growth of additional offices under Government. & Quasi Govt. and private schools the area reserved for this use become 76 hectares for the year 2021.

### AGRICULTURE

2.19. An extent of 840 hectares are available in this use, which includes wet lands, dry lands, water bodies and hillocks. As per Government orders no wet lands can taken up for urban development, hence dry lands are considered to be used for future developments.

### MEDICAL INSTITUTIONS

2.20. There are 22 institutions functioning in Velur Local Planning Area with total bed strength of 76 catering the needs of the present population. The recommended bed for 1000 population is 1. But assuming the higher standards of 2 beds for 1000 population the number of bed required in 2021 will be 76. However, there are already 76 beds available and hence no additional beds may be required.

### EDUCATIONAL INSTITUTIONS

2.21 As regards the needs of educational use the standard adoption is 1 High school for 10,000 to 15,000 in urban areas. The number of elementary school and higher secondary School that are available in the Local Planning Area are 8 and 5 respectively. Apart from this there are five Typewriting institutes are functioning within the Local Planning Area.

2.22. Assuming One High School for 10,000-population the required number of high school will be approximately 4. There are two schools already available. The area for additional schools can be utilized from the extent of 16.04 hectares provided for public & semi public and Educational purposes.

### WATER SUPPLY

2.23. Velur is provided with protected water supply. The water sources are Velayuthampalayam and Pothanur at Cauvery riverbed 2 Km and 3 km respectively away from the Local Planning Area limit. At present 100 liters of water per head is being provided to the population. Since the source is located in the Cauvery River, it can meet the need of the water requirements of future population also.

## TRAFFIC AND TRANSPORTATION

2.24. The trend of future growth of the town is along the HH 7 North of Mohanur road. There are three sanctioned Detailed Development Plans. These three Detailed Development Plans are abutting the NH 7 bye-pass road and the future developments could be around the Detailed Development Plans. Hence PR-1, PR-2 and MR-1 are proposed along NH7.

The overall road network is sufficiently formed and it could cater the future traffic developments and hence no new roads or widening are contemplated.

## CHAPTER - III

### LOCAL PLANNING AUTHORITY'S FUNCTION

3.01. The local Planning authority shall control and regulate the developments in the local planning area as per the land uses provided in the Master plan. The Local Planning authority shall be giving planning permissions as per section 49 of Town and Country Planning Act 1971 in conformity with uses proposed in the Master Plan and no developments shall be permissible without obtaining planning permission.

For the purpose of general urban planning and development and for implementing the same, the local body/Local Planning Authority shall avail loans and grants from the World Bank, Government of India, Government of Tamil Nadu and Institutional financing body like HUDCO.

## CHAPTER - IV

### DEVELOPMENT REGULATIONS AND ZONES PERMISSIONS AND ZONES

4.01. In order to implement the proposals contained in the Master Plan, certain essential zoning regulations will have to be formed and enforced. Accordingly it has to be enforced by Local Planning /authority while granting planning permissions under section 49 of town and Country Planning Act, 1971. The Local Planning Area has been divided into the following use zone as directed by Government in G.O/Ms.No.1730, rural Development and Local Administration Department, dated 24.7.74.

- 1) Residential use zone.
- 2) Commercial use zone.
- 3) Industrial use zone.
- 4) Educational use zone.
- 5) Public and Semi-Public use zone.
- 6) Agricultural use zone.

### USE ZONES AND USES PERMITTED

4.02. The use Zones and uses permitted are given in G.O.No.1730 Rural Development and Local Administration Department, dated 24.7.74 and the survey numbers comprised in the use zones are given below.

4.03. The zoning regulations have been prescribed as part of this Master Plan and all the developments within the Planning Area shall be in conformity with the Zoning regulations and the local Planning authority shall also regulate the planning permission accordingly.

4.04. In respect of areas convened under sanctioned Detailed Development Plans, the land and building use, the set back requirements, plot coverage, density, zoning regulations etc. shall be in accordance with the provisions of the respective Detailed Development Plans.

4.05. Any buildings adjacent to the water Bodies, Burial Grounds, Railway line will be permissible subject to the provision of the building rules and regulations.

Copy of :-

GOVERNMENT OF TAMIL NADU

ABSTRACT

Town Planning - Preparation of Zonal Plans - Formulation of Draft Regulations submitted by the Director of Town and Country Planning - Approved.

-----  
RURAL DEVELOPMENT AND LOCAL ADMINISTRATION  
DEPARTMENT

G.O.Ms.No.1730

Dated the 24<sup>th</sup> July 1974

Read:-

1. D.O.Letter No.28332/MD/73-1, R.D. & L.A., dated 7.3.73.
2. From the Director of Town and Country Planning letter No.10989/73 SM/ dated 21.3.74.
3. From the Member Secretary, Madras Metropolitan Development Authority, D.O.Letter No.1983/74, ADP /dated 19.5.74.

ORDER:

The Director of Town and Country Planning submitted draft zoning regulations on use of land and buildings particulars in urban area. These regulations list out the uses permissible in each of the Use zones and the restrictions to be imposed. For the purpose of these regulations, it has been suggested that the urban areas may be divided into the following six major use zones.

1. Residential use zones
2. Commercial use zones
3. Industrial use zones
4. Educational use zones
5. Public and Semi Public use zone
6. Agricultural use zone

Of these, the Residential use zone has been further sub divided into two categories, namely:-

- 1) Primary Residential use zone and
- 2) Mixed Residential use zone.

The Industrial use zone has been similarly sub-divided into three categories, namely:-

- i) Controlled Industrial use zone
- ii) General Industrial use zone and
- iii) Special Industrial and Hazardous use zone.

2) The Director has also stated that the Tamil Nadu Town and Country Planning Act, 1971 provides for the zoning of areas under sections 17(1) and 20(2)(g) through the Master Plans and Detailed Development Plans respectively. He has recommended that the draft zoning regulations may be approved and communicated to the Local Planning Authorities for adoption as part of the Master Plan for proper land use planning and control in addition to other regulatory measures and that as for the Madras Metropolitan Area, a copy of the regulations may be sent to the Member Secretary, Madras Metropolitan Development Authority for adoption as part of the Metropolitan Development Plan with such modifications as may be necessary, in consultation with him (the Director) and the Government.

3) A copy of the draft regulations was sent to the Member Secretary, Madras Metropolitan Development Authority for his views. He has stated that the comprehensive land use proposals and zoning regulations for Madras Metropolitan area are under preparation and that the suggestion of the Town Planning Directorate will be considered and incorporated to the extent as may be necessary in the final proposals.

4) The Government have examined the suggestion. They accept the views of the Member-Secretary, Madras Metropolitan Development Authority so far as it relates to the Madras Metropolitan area and as for other Urban areas of the state, the Government approve, in principle, the draft zoning regulations submitted by the Director of Town and Country Planning. The Director is requested to furnish copies of the draft zoning regulations to the Local Planning Authorities as soon as they are constituted.

5) The receipt of this order may be acknowledged by the Director of Town and Country Planning.

(BY ORDER OF THE GOVERNOR)

M.M.Rajendran,  
Secretary to Government.

To

1. The Director of Town and Country Planning, Madras-1.
2. The Member Secretary, Madras Metropolitan Development Authority, Madras-10.

Copy to:

3. Commissioner, Corporation of Madras through the Special Officer and others.

18. Installation of Base Transceiver Station Towers vide G.O.Ms.No.302 H&UD department dated 12.12.2002.

Sd/- R. KULANDAIVEL  
Director of Town and Country Planning.

//TRUE COPY//

Copy of Letter No. 69759 / UDIV (2) / 89 / 11 dated 22.6.92 from the Secretary to Government, Housing and Urban Development Dept., Madras-9 addressed to the Director of Town and Country Planning, Madras 2.

-----

Sir,

Sub: Town Planning – Preparation of Zonal plans – Regulation approved – Amendments – Issued.

Ref: 1.G.O.Ms.No.1730, Rural Development and Local Administration, dated 24.7.74.

2. From the Director of Town and Country Planning, Lt.Roc. No. 40747 / 89 / MP2, dated 6.11.89.

3. From the Member-Secretary, Madras Metropolitan Development Authority, Lt.No. CCC/ 1345 / 90 dated 7.9.90.

\*\*\*\*\*

In the Government order first cited, the Government approved in principle the draft zoning regulations submitted by the Director of Town and Country Planning. In his letter second cited, the Director of Town and Country Planning has suggested certain changes to the use zones and requested that suitable amendment to be issued after accepting the suggestion of the Director.

2. The following amendments are issued to G.O.Ms.No.1730, Rural Development and Local Administration, dated 24.7.74.

#### AMENDMENTS

In the said Government Order, in the Appendix,

1) Under the heading "I. Residential use zone" under the sub heading "Use Zone I. (b) Mixed Residential use zone", under the item "Uses permitted" in item 10 for the expression "Restaurants, Residential Hotels and other Board and Lodging Houses" the expression "Restaurants without residential accommodation, eating and catering houses and lodging houses for less than twenty occupants" shall be substituted.

2) Under the heading "II. Commercial use zone 2" under the item "Uses permitted" after item 10 and the entries relating there to, the following item and the corresponding entries shall be added, namely:-  
11."Restaurants with or without boarding and lodging houses, Star Hotels and Non – Star Hotels".

Yours faithfully,

Sd/-----

For secretary to Government.

ABSTRACT

Master Plan - Velur Local Planning Area - consent of the Government to the Publication of Notice of the preparation of the modified Master Plan - Accorded.

HOUSING AND URBAN DEVELOPMENT (UD 4.2) DEPARTMENTG.O. (Ms.) No. 387Dated: 18-09-2000.

READ:

- 1) G.O. (Ms.) No. 8, Housing and Urban Development Department, dated 10-01-1994.
- 2) From Special Commissioner of Town and Country Planning letter Roc.No.41880-MP-3, dated 24-03-2000 and 26-05-2000.

ORDER:

In the Government order first read above, the Government accorded approval under section 28 of the Tamil Nadu Town and Country Planning Act, 1971 (Tamil Nadu Act 35 of 1972) to the Master Plan of the Velur Local Planning Area, and the same was published in the Tamil Nadu Government Gazette, dated the 30<sup>th</sup> March 1994. As per the provisions contained under clause (b) of sub-section (2) of section 32 of the said Act, once in every five years, after the date on which the master plan for an area comes into operation, the local planning authority may, and if so, directed by the Government, shall after carrying out such fresh surveys as may be considered necessary, and in consultation with the regional planning authority and the local authorities concerned, review the master plans and make such modifications in such plan wherever necessary, and submit the modified plan for the approval of the Government.

2. In his letters second read above, the Special Commissioner of Town and Country Planning has stated, that by virtue of the provisions contained under clause (b) of sub-section(2) of section 32 of the said Act, the Velur local planning authority has reviewed the existing approved master plan for that planning area on its own accord, and prepared a draft modified master plan for the Velur Local Planning area in consultation into account of the latest developments and actual at site. The Special Commissioner of Town and Country Planning has requested the Government to accord consent to the modified master plan for the Velur Local Planning Area.

3. Under sub-section (2) of section 24 of the Tamil Nadu Town and Country Planning Act 1974 (Tamil Nadu Act 35 of 1972), the Governor of Tamil Nadu hereby gives her consent to the Velur Local Planning Authority to the publication, of a notice under section 26 of the said Act of the preparation of the modified Master Plan for the Velur Local Planning Area.

4. The draft modified master plan for the Velur Local Planning Area as consented to by the Government under sub-section (2) of section 24 of the said Act is returned to the Special Commissioner of Town and Country Planning and he is requested to acknowledge its receipt.

The Special Commissioner of Town and Country Planning is requested to ensure that the various requirements specified in the said Act and in the Master Plan (Preparation, publication and sanction) Rules are strictly adhered to by the Velur Local Planning Authority, before the modified master plan is resubmitted to the Government for their approval under section 28 of the said Act.

ANNEXURE - 10GOVERNMENT OF TAMIL NADU  
ABSTRACT

Information Technology - Setting up of Base Transceiver Station Towers and installation of equipment for telecommunication networks - Leasing of space in Government offices on a non-exclusive basis to any licensed telecom company on certain prescribed terms and conditions - issued.

INFORMATION TECHNOLOGY DEPARTMENTG.O.Ms.No.2Dated 1.04.2002

Read:-

1. G.O.Ms.No.7 Information Technology Department, dated 12.02.2001.
2. From Tvl. Reliance infocom Limited Chennai, letter Ref.no.2375 II/2001-02, dated 29.01.2001.

ORDER:

In the G.O. first read above, consolidated policy guidelines were issued specifying terms and conditions for the grant of centralized permission for the use of public right of way by any private or public sector applicant that proposes to lay optic fibre cables in the National State Highways and other roads in Tamil Nadu.

2. Tvl. Reliance Infocom Limited, who have been given centralised permission to lay optic fibre cables in Tamil Nadu, have indicated that in order to maximize the coverage throughout the state, permission is required for reneing leasing out Government land, Government buildings for putting up Base Transceiver Station Towers (BTS Towers) at technically feasible locations. The company has also requested the Government to grant exemption to it from observing side set back rules of Chennai Metropolitan Development Authority, Directorate of Town and Country Planning for the BTS Towers which are only temporary structures and to apply the rules only in the cases of construction of buildings for BTS equipment room, Diesel Generator set room etc.

3. The Government after careful consideration and detailed examination, have decided to issue general permission to any licensed telecom company providing infocom services to the end users, on a non-exclusively basis subject to certain terms and conditions.

4. Accordingly, the Government hereby accord permission to any licensed telecom company and which is committed to the cause for Government of Tamil Nadu to install its Base Stations consisting of Tower, Equipment room and Generator room, on roof top or on the ground premises and buildings belonging to Government of Tamil Nadu, subject to availability and technical feasibility; on a non-exclusive basis and also subject to availability and technical feasibility, on a non-exclusive basis and also subject to the following terms and conditions.

- i) Permission for installing towers, equipment etc. on case-to-case basis will be issued by the District Collectors concerned in consultation with the district office concerned.

Availability of space of 4.5 mts. x 4.5 mts.

Technical feasibility - Building should be structurally strong to take a load of 3.5 MT to 6.0 MT depending on the height of tower.

A Telecom company providing infocom services and is desirous of utilizing the Government premises / buildings for installing the base stations, should comply with all the regulations and stipulations including that of the Ministry of Civil Aviation, Government of India, in installation of the Base stations. All Clearances / permissions, required in the process of establishing the base stations are to be obtained by such company.

Permission may be given on non-exclusive basis.

The future extension / expansion of building / premises may be kept in mind.

Permission may be granted initially for a period of 10 (ten) years.

Damages caused, if any, shall be rectified by such company and bring back to original condition and to the satisfaction of the authorities concerned.

Leasing of the premises or buildings to such company should not be detrimental to the daily routine and activities of the Office or Offices concerned.

Appropriate rent shall be charged from such company.

Exemption shall be given to the telecom companies from side set back rules of Chennai Metropolitan Development Authority / Directorate of Town and Country Planning for the BTS Towers and the said rules shall be applicable only to the construction of buildings.

5. This orders issues with the concurrence of Housing & Urban Development Revenue and Public Works Departments.

 dated 23.7.2002.

...

In G.O. first cited above, Government have accorded permission to license Telecom  
 Companies to install Base Trans receiver Station Towers, equipment room and generator room  
 on roof top or on the ground of premises and buildings belonging to Government of Tamil Nadu  
 subject to certain terms and conditions mentioned therein.

2. In the reference second cited M/s Reliance Infocom Limited has requested the  
 Government to issue necessary amendments to G.O. first cited exempting from side set back  
 rules of Chennai Metropolitan Development Authority/Directorate of Town and Country  
 Planning for the BTS Towers, erected or to be erected on Local bodies, Q uasi Governments,  
 Public Sector undertakings and Private lands and Buildings. The request of the above firm has  
 been examined and the following amendments are issued to G.O. first cited above.

3. In para 4 of the G.O. first cited above, after the word Government of Tamil Nadu in the fourth line the words, "Quasi Governments/Public Sector Undertakings Local bodies Private lands and buildings" be added and after the eleventh terms and conditions mentioned in the same para at page two, the following shall be added as number twelve to sixteen.

- (xii) Clearance from CRAC and Civil Aviation Department for erection of towers shall have to be obtained before erection wherever required.
  - (xiii) The BTS room size shall not exceed 15 S.q.m. in floor area and it should not be more than 3.0m. in height.
  - (xiv) The generator on plat form shall not cause noise and air pollution.
  - (xv) These structures, shall not be erected on any unauthorized or deviated part of a building or layout, agricultural land and OSR use Zones.
  - (xvi) These BTS structures shall be structurally sound and safe.
4. The Municipal Administration and Water Supply Department and Rural Development Department are directed to issue necessary orders exemption under Tamil Nadu District Municipalities Building Rules and Multi storied and Public Building Rules 1973 under G.O.164 MAWS Department, dated 15.6.1994 and G.O.Ms.No.22 MAWS Department dated 30.1.1997 against restricting the height of the Buildings Structures BTS Towers within the heritage zones of the Heritage towns and under G.O.Ms.No.1730 RD & LA Dept., dated 24.7.1974 allowing the BTS Towers in all the land use zones.

5. This letter issues with the concurrence of Municipal Administration and Water Supply, Rural Development and Housing & Urban Development Departments.

ABSTRACT

Copy of:-

Land use zoning - Master plan Locational restriction software units - Removal - Orders -  
OrdersHOUSING AND URBAN DEVELOPMENT (UD IV (2) DEPARTMENTDated the 29.10.2002G.O.Ms.No.260

1. G.O.ms.No.1730 Rural Development and Local Administration and Acquisition Department dated 24.7.74.
2. G.O.(Ms.)No.300, IMD (ME2) dated 3.11.97.
3. From the Special Commissioner of Town and Country Planning Letter No.6336/2002/T dated 13.3.2002.

...

ORDER:

In the G.O. first read above, orders were issued prescribing the norms governing land use zoning in respect of areas coming under Local Planning Areas. According to the orders issued in the above Government Order, the Urban Areas are divided into the following six major use zones:-

- 1) Residential use Zone.
- 2) Commercial Use Zone.
- 3) Industrial Use Zone.
- 4) Educational Use Zone.
- 5) Public and Semi Public Use zone.
- 6) Agricultural Use Zone.

Of these, the Residential Use zone has been further sub-divided into two categories, namely:-

- 1) Primary Residential use Zone; and
- 2) Mixed Residential Use Zone.

The Industrial Use Zone has been similarly sub-divided into three categories, namely:-

- 1) Controlled Industrial Use Zone;
- 2) General Industrial Use Zone; and
- 3) Special Industrial and Hazardous Use Zone.

2. In the G.O.second read above, while announcing the Information Technology Industrial Policy, it has been ordered that there will be no locational restriction for setting up such units exclusively engaged in Software Development and Training

3. In his letter third read above, the Special Commissioner of Town and Country Planning reported that Software units exclusively engaged in software development and training, are considered to be non conflicting uses and therefore there will be no locational restriction for setting up of these units in any land use classified, except those lands reserved for special land hazardous and agricultural land use in the Master Plan, in line with the provisions of amended Development Control Rules of Chennai Metropolitan Development Authority, and that the information technology industries also should not be permitted in areas prohibited by various Acts and Rules, relating to Coastal Regulation Zone, Archaeological site, Heritage site, Airports, Burial ground, quarry sites, railway properties etc. The Special Commissioner of Town and Country Planning has now requested the Government to effect changes to G.O.Ms.No.1730 RD & L.A Dept., dated 24.7.74 accordingly.

4. The Government after careful consideration accept the request of the Special Commissioner of Town and Country Planning and effect changes to the norms laid down in G.O.(Ms.)No.1730 RD&LA Dept., dated 24.7.74 to the effect that units exclusively engaged in Software development and training be permitted to avail all land uses, viz., residential (Primary and Mixed Residential), Commercial, Public and Semi-Public, Educational, Industries (controlled and general industries) except those lands that are earmarked for special and hazardous industries and agricultural land use in the Master Plan.

(BY ORDER OF THE GOVERNOR)

ABSTRACT

Copy of:-

Urban Development- Installation of the Base Transreceiver Station Towers in all the land use zones in the Master Plan - Permission - orders - issued.

HOUSING AND URBAN DEVELOPMENT (UD 4.2) DEPARTMENTG.O.(Ms.No) 302Dated: 12.12.2002

READ:

1. G.O.(Ms.)No.1730, Rural Development and Local Administration Department dt.24.7.1974.
2. G.O.(Ms.)No.2, Information and Technology Dept., dated 1.4.02.
3. Government Lr.No.237/I&T/2002-2, Information Technology Dept., dt.9.5.02
4. From the Special Commissioner of Town and Country Planning Lr.No.13287/2002/BA1/dt.3.6.2002 and 17.7.2002.
5. Government Lr.No.237/IT/2002-7 Information Technology Department dated 18.9.2002.

ORDER:

In the Government order second read above, the Information Technology Department had issued orders pertaining any licensed telecom company to install Base Trans receiver Station Towers, equipment room and generator room on roof top or on the ground of premises and building belonging to Government on certain terms and conditions. Orders were also issued by the Government that exemption shall be given to such telecom companies from following the side set back rules of Chennai Metropolitan Development Authority/Director of Town and Country Planning for installation of Base Trans receiver station Towers and applicability of the said rules only to the construction of buildings.

2. Subsequently, in the Government letter third read above, the Information Technology Department has further clarified that the exemption given in G. O.(Ms) No.2 dated 1.4.2002 will be applicable not only for the Base Trans receiver Towers to be installed on roof top or on the ground of premises and building belonging to Government of Tamil Nadu but also for the Base Trans receiver Station Towers to be installed on private land/buildings.

3. In the letter fifty read above, the Information Technology Department while issuing certain amendments to paras 4 and 5 of Government order second read above has directed Municipal Administration and Water Supply Department and Rural Development Department to issue necessary orders exempting under Tamil Nadu District Municipalities Building Rules 1973, under G.O.164 Municipal Administration and Water Supply Department dated 15.5.1994 and G.O.(Ms.)No. 22, Municipal Administration and Water Supply Department dated 30.1.1997 against restricting the height of the Buildings structures Base Trans receiver Station Towers within the Heritage zone of the Heritage towns and under G.O.(Ms.)No.1730 Rural Development and Local Administration Department dt.24.7.74 allowing the Base Trans Receiver Station Towers in all the land use zones.

4. As regards the issue of allowing the Base Trans Receiver Station Towers in all the land use zones, the Special Commissioner of Town and Country Planning in his letter fourth read above has reported that as per the Government order first read above only permissible uses specified in each use zone as per the Master Plan can be permitted. He has requested that since there is no provision at present in the Master Plan for permitting the Base Trans receiver Station Towers in all land use zones in the Master Plan may be issued by the Government.

5. The Government after careful examination accept the proposal of the Special Commissioner of town and Country Planning accordingly direct that the installation of Base Trans receiver Station Towers shall be permitted in all the land use zones in the Master Plan.

- 4) Government Lr.No.237/IT/2002-7, IT, dated 18.09.2002.

ORDER:

In the G.O. first read above, as amended in Govt. letter 4th read above, Govt. have accorded permission to licensed telecom companies to install Base Transceiver Station Towers, equipment room and generator room on rooftop or on the ground of premises and buildings belonging to Government of Tamil Nadu / Quasi Government / Public sector undertaking / Local bodies / Private lands and buildings subject to certain terms and conditions mentioned therein.

2. The Special Commissioner of Town and Country Planning in sought the clarifications of Government on the exemption of BTS towers from Tamil Nadu District Municipalities Building Rules and Multistoried and Public Building rules 1973, and height restriction in respect of Heritage towns. The Director of Municipal Administration has also requested the Government to issue necessary orders in this regard.

3. The Government after careful examination grant exemption to BTS towers constructed by Telecom companies, from the Tamil Nadu District Municipalities Building Rules 1972, and Multistoried and Public Building Rules 1973, subject the conditions imposed in the G.O. and letter first and fourth read above. However, above has directed Municipal Administration orders Water Supply Department and Rural Development Department to issue necessary and Public Supply Department and Rural Development Department Building Rules and Water Supply Department under Tamil Nadu District Municipal Administration and Water Supply Building Rules 1973 under G.O.Ms.No.22 Municipal Administration and Water Supply Department dated 15.06.1991 and G.O.Ms.No. 22 Municipal Administration and under Transceiver Station Towers within the Heritage zone of the Buildings / Structures / Base G.O.Ms.No.1730, Rural Development and Local Administration Department dated 24.07.1974 allowing the Base Trans-receiver Station Towers in all the land use zones.

4. As regards the issue of allowing the Base Transceiver Station Towers in all the land use zones, the Special Commissioner of Town and Country Planning in his letter 4<sup>th</sup> read above is reported that as per the Government order first read above only permissible uses specified in that use zone as per the Master Plan can be permitted. He has requested that since there is no provision at present in the Master Plan for permitting the Base Transceiver Station Towers in that use zone in the Master plan may be issued by the Government.

5. The Government after careful examination except the proposal of the Special Commissioner of Town and Country Planning and accordingly direct that the installation of Base Transceiver Station Towers shall be permitted in all the land use zone in the Master Plan.

ANNEXURE - 15GOVERNMENT OF TAMIL NADU  
ABSTRACT

Urban Planning - Implementation of Information Technology Policy 2002 - Relaxation of Floor space index under Multistoried and Public Building Rules 1973 to the extent of 100% in designated IT Parks in Urban Areas other than Chennai - orders - issued.

MUNICIPAL ADMINISTRATION & WATER SUPPLY (M.A.I) DEPARTMENT

G.O.(Ms).NO. 317

Dated: 10.09.2004.

Read:

1. G.O. (Ms).No.52 Housing and Urban Development Department  
Dated 27.3.2003.
2. From the CTCIP letter Roc.No.24582/2003/BAI/dated 20.2.2004.

---

ORDER:

The Information Technology Policy of Government of Tamil Nadu envisages to encourage and accelerate the growth of hardware and software industries and associated services in the State and the Government are keen to generate an ambience by creating Information Technology corridors, construction of Information Technology parks besides extending concessions incentives to the Information Technology Industry. As a measure to boost construction of more Information Technology related parks, corridors, suggestions have been made to the effect that the existing Floor space index and Open space Regulations in Building Rules may be relaxed in respect of such buildings. As a first step, the Government in their order has read above relaxed the Building Rules in respect of Information Technology related buildings within Chennai Metropolitan Area as detailed below:-

- 1) Floor Space Index (FSI) to the extent of 100% shall be relaxed in respect of designated IT Parks under Development Control Rules of Chennai Metropolitan Development Authority.
- 2) The requests of the Information Technology Companies for maintaining the space under the open space by applicant IT Company, itself under the Open Space Reservation Rules under Development Control Rules, 1991 of Chennai Metropolitan Development Authority shall be allowed.
- 3) The scope of development Information Technology Parks and related industries in areas other than Chennai is now gaining momentum. In order to facilitate these developments, the Commissioner of Town and Country Planning has suggested to extend the above said concessions to all urban centers of Tamil Nadu by relaxing the rules under the Multistoried and Public Building Rules, 1973.

3. The Government have examined the proposal of the Commissioner of Town and Country Planning and have decided to accept the proposal and to issue orders in line with the orders issued for Chennai Metropolitan Area. They accordingly direct that for IT parks in urban areas other than Chennai Metropolitan area.

(a) Floor Space Index under Multistoried and Public Building Rules 1973 shall be related to the extent of 100% and

(ii) The designated IT Company should handover the Open Space Reservation land to the local body by way of gift deed as per the procedure laid down in Para 4 of G.O.Ms.No.222 MA & WS dated 28.1.1992. However, the local body may permit the IT Company for maintaining the Open Space Reservation land by itself, if so required.

GOVERNMENT OF TAMIL NADU  
ABSTRACT

ENVIRONMENTAL CONTROL - Control of Pollution of Water sources - Location of industries within 1 Km. from the embankments of rivers, streams, dams etc., - Imposition of restrictions - orders -- Issued.

-----  
ENVIRONMENT AND FOREST (E.C.D) DEPARTMENT

G.O.MS.NO.213Dated 30 March 1989.

Read:-

- 1) G.O.Ms.No.1 Environment Control dated 6.2.84.
- 2) From the Member Secretary, Tamil Nadu Pollution control Board,  
Lr.No.E.MS(1)15878/88 dated 23.3.88.
- 3) From the Chairman, Tamil Nadu Pollution Control Board, Lr.No.E.MS(1)33365/88  
dated 3.1.88 and letter even No. dated 30.12.88.

ORDER:

In the Government order first read above, the Government have ordered, among other things that no industry causing serious water pollution should be permitted within one kilometer from the embankments of rivers, streams, dams etc. and that the Tamil Nadu Pollution Control Board should furnish a list of such industries to all local bodies. It has been suggested that it is necessary to have a sharper definition for water sources to that ephemeral water collections like water, ponds, drains, sewerages (biodegradable) etc. may be excluded from the purview of the above order. The Chairman, Tamil Nadu Pollution Control Board has stated that the scope of the Government order may be restricted to reservoirs, rivers and public drinking water sources. He has also stated that there should be a complete ban or location of highly polluting industries within 1 kilometre of certain water sources.

- 2) The Government have carefully examined the above suggestions, the Government impose a total ban on the setting up of the highly polluting industries mentioned in Annexure-I to this order within one kilometre from the embankments of the water sources mentioned in Annexure-II to this order.
- 3) The Government also direct that under any circumstances if any highly polluting industry is proposed to be set within one kilometre from the embankments of water sources other than those mentioned in Annexure-II to this order, the Tamil Nadu Pollution Control Board should examine the case and obtain the approval of the Government for it.
- 4) The receipt of this order may be acknowledged.
